CAMP COMO

Dear **Parents**,

As the camp season approaches, we are planning for hundreds of excited campers. One group of campers that we hope are excited is our teen volunteers. The Teen Leadership Camp (TLC) Program has been a great program and I honestly feel that they are the ones that run camp during the summer months. They are invaluable to us and make a HUGE difference in our summer programs. Our hope is that through their time here at Camp Como they will learn to serve not just campers, but most importantly Jesus Christ and His Kingdom.

The TLC Program is designed to provide teens with an opportunity to participate in camp ministry by serving their peers. They will help with cleaning the facilities, assisting in the kitchen, working in the Canteen and on various camp projects.

We look for enthusiastic, hard-working and responsible youth for our Teen Leadership Camp Program. We really appreciate your children. As I mentioned above, these individuals are invaluable to us. They literally perform services for the camp that not only make our summer programs run, but will also reflect Camp Como's ministry and mission towards the campers, sponsors and program directors.

Core Counselors will be on staff to nurture and supervise these young people. They will have devotions, meetings and activities with the youth that will encourage them, teach them and hopefully expose them to opportunities and experiences that they will not forget.

Thank you for your help and your children!!

In Christ,

Jud Weece

Dear **TLC,**

We are excited to see YOU here this summer! Do you realize how invaluable you are? You are the ones that make it happen here at Camp Como. Your volunteer efforts are necessary for the smooth operation of the camp. We at Camp Como just want to express our thanks to you for your help.

There are two things that I want to share with you which I feel are extremely rewarding as a Christian. The first is the opportunity to be in the service of God. You all have that opportunity while you are out here. Second, all of you have an influence on people, especially the campers that come out and participate in the different weeks of camp. What you show to them through your speech and actions, both while serving and during your free time, is VERY important. So if you come with a Christ-like attitude who knows what kind of affect you could have on someone else, but chances are it will be a positive one.
