What a year! I can't wait for you to read this letter. God has blessed Camp Como in so many ways this past year and I am eager to tell you about two of the blessings this month.

1 First, I am thrilled to report that for the first time in our history we hosted over **THREE THOUSAND CAMPERS**. Three thousand and fifty six (3,056) to be exact. God has gradually and consistently brought an increase in campers over the years. Serving three thousand campers in a year has been a personal prayer request of mine since I arrived with my family in 2004. I have included with this letter some statistics that I hope you will find encouraging. Thank you for helping us reach this goal.

The increase in campers over the years is significant for two reasons. One, the more campers we have attending Camp Como, the greater the opportunity for us to teach them of Jesus and His amazing qualities. Two, it helps us finance more ministry. This pleases God and motivates the leadership to follow His direction into the future.

2 The second blessing I want to share with you is a matching fund gift that was given. Two very generous and loyal supporters of Camp Como have offered to donate up to **FIFTY THOUSAND DOLLARS** in a **MATCHING FUND PROGRAM**. This means that for every dollar specifically donated towards this program, the anonymous couple will match your gift up to fifty thousand dollars!

The money raised from this will go towards enhancing and creating programs. Creating new areas of program will help us reach more youth and give Youth Ministers more tools to use. Enhancing current programs will help us be more effective in introducing youth to Jesus. What a great opportunity to invest in the lives of future generations.

This is an incredible blessing and opportunity for our ministry.

Would you:

- Give personally?
- Recruit others to donate?
- Communicate this opportunity to your church mission team?

Thank you for being such a blessing to the ministry of Camp Como. If you have any questions, please don't hesitate to contact me at the information below. I look forward to hearing from you.
