Year of Jubilee

The "Year of Jubilee" is a very interesting command of God given at Mount Sinai. God told the Israelites to, "Consecrate the fiftieth year and proclaim liberty throughout the land to all its inhabitants." (Lev. 25:10) The Israelites were to return to their own clan and property and give back any property that was not originally of their clan. Slaves were set free and debts were remitted. The slate was to be wiped clean every fifty years. All debt erased and a new start on life. What a plan!

The word, "Jubilee" means, a time or season for rejoicing. I think it is understandable why they celebrated for a full year. Kind of makes our one day of celebrating Thanksgiving seem small in comparison.

As I get closer to fifty years of age, this plan seems very inviting. It would be so nice to be debt free and start over. I think at this stage in my life I would make much wiser deci-

sions than I did in my youth and be much more grateful towards God and His provision.

As many of you know, Colorado Christian Service Camp is celebrating fifty years of ministry on the property of Camp Como in 2014. We want this to be a "Year of Jubilee." We have a lot of reasons to celebrate and rejoice in the ministry of Camp Como and we want you to be a part of it. Throughout 2014 we will be

offering several ways for you to be involved in this celebration. We will communicate with you through mailings, e-mail, web-page updates and visits to your churches. Our hope is that this will be a great time to catch up with old friends, reminisce, and share with others how God has used the ministry of Camp Como to impact His Kingdom.

5•50 PLAN

One aspect of our Year of Jubilee will be to eliminate all of the debt that the camp has. This year-long effort is called the, "5•50 Plan" and the debt is \$600,000. This is no small task for us, but we are confident that God will bless our efforts through people like you. Here's how you can help: Please pray about what level God wants you to give over this next year and let us know by filling out the Donation Remittance form. We are asking you to

give towards one of these five categories in 2014 to help eliminate our debt. Will you help?
