

End of Summer Update

October, 2013

Wrap Up

Greetings from Camp Como where we just wrapped up our 49th camp season on the property at Como. As many of you know, the "Colorado Christian Service Camp" was started in 1948 -- almost 66 years ago. In those days, preachers and parents would gather up the youth from their respective churches around the state and host bible campouts in various state parks in Colorado. For 16 years the Colorado Christian Service Camp did not own their own camp. That all changed in 1964 when the, "Rocking R Sky Ranch" was purchased by a corporation of

Christian Churches and Churches of Christ. That property is now known as, "Camp Como."

Next year we will celebrate 50 years of ministry on the property in Como. Praise God!

This is the third year in a row that we hosted over 3,000 campers. Thank you for helping us challenge so many youth to, "Fall in love with God and stay in love with God." We could not minister to so many youth without your help. Your prayers, financial support, encouragement, and

volunteerism are **GREATLY** appreciated and does not go unnoticed by me or God. Camp Como is a team effort. Thanks for being on the team.

Upcoming Event in 2014

Since next year is the 50th anniversary on the property of Como, we want to celebrate! It will be an exciting time to reminisce about the beginnings of Camp Como, all the way through each decade to today. Much has changed about Christian camping through the past 50 years, but one thing remains the same: Camp Como's focus on challenging campers to fall in love with God and stay in love with God. With the fast paced life so many of us lead, it is more important now than ever before to remember the foundation that Camp Como was built upon. As part of the festivities, we want to have an area of memorabilia, so if you could look through your items/possessions for any old brochures, schedules, menus, pictures, etc. that you would be willing to share, we would appreciate the either the original or a copy to display. Stay tuned for dates and events.
