

DECEMBER 2017 NEWSLETTER

Colorado Christian Service Camp, Inc.

Join us in welcoming **Lee Bertram** as our new Executive Director!

After graduating from Philadelphia College of Bible (now named Cairn University) in December of 2000, his first job was at Camp Como washing dishes and serving groups while living above the Office. He served for seven months as the Adventure Program Coordinator in the summer of 2001. Lee said, "Seven months at Camp Como was used by the Lord in training me for my 15 year camp position in Texas, and my camp position in Texas was used by the Lord to train me for my return to Camp Como." Lee and his wife, Rebekah, were dating during his time at Camp Como in 2001, so she is familiar with the ministry and excited to call it her camp home. They have four children: Tommy (14), Hope (12), James (10) and John (8) who are also excited about the move to Colorado. Lee is passionate about the Lord and continually excited about providing opportunities for campers to encounter and grow in Jesus Christ, especially in the unique mountain environment at Camp Como.
