CANCELLATION POLICY

Camp Como plans to always follow through with hosting planned events and is committed to continue to do so. However, a national disaster or act of terror could render Camp both unable to host a planned event and unable to return your deposits. Camp hires staff and purchase equipment based on your reservations. Please be advised that if a Camp Como event is cancelled due to such extraordinary circumstances, your deposits may not be refunded regardless of other published cancellation dates and deadlines.

WEATHER CANCELLATION

Camp Como has your group's safety in mind as we host events. If Camp is unable to host an event due to weather conditions, deposits cannot be refunded. Refunds/Partial refunds of final balance payments will be made only if possible, and are not guaranteed. If an event is hosted as scheduled and your group cancels or reduces numbers due to weather conditions, all payments are non-refundable.

COVID-19 POLICY

By registering my child(ren) for Camp Como, I understand the contagious nature of COVID-19 and voluntarily and knowingly assume the risk of exposure to or infection by COVID-19 that could result from my child(ren)'s attendance at Camp Como. We will comply with current state regulations in regards to COVID-19. My child(ren) has not been sick and has not had a fever in the past 72 hours. If my camper(s) should test positive for COVID-19 within 14 days of attending Camp Como I will notify camp staff promptly.

MEDICAL POLICY

Camp Como is committed to the overall health and safety of campers and staff. Camp's intention is to have a medical professional on site during each of our programmed events. The role of this individual is to advise group leaders and assist with medical emergencies.

MEDICATION POLICY

Medication administration will be the responsibility of Camp's medical professional in conjunction with the camper's church leadership. Camp will collect all medications and keep them secured in a locked box so campers do not have direct access. They may only be dispersed in accordance with the Medication Chart form submitted with your camper's registration and must be in original containers with labels intact.
